CHAPTER VI - DISORDERLY STREET GANG CONDUCT

SECTION 1: MCENRY COUNTY CONSERVATION DISTRICT FINDINGS:
A. The McHenry County Conservation District hereby finds and declares that it is
the right of every person, regardless of race, color, religion, national origin, sex
(including gender identity, sexual orientation, and pregnancy), age, citizenship
status, ancestry, marital status, military status, physical or mental disability to be
secure and protected from fear, intimidation and physical harm caused by the
activities of violent groups and individuals. It is not the intent of this Ordinance
to interfere with the exercise of the constitutionally protected rights of freedom of
expression and association. The McHenry County Conservation District hereby
recognizes the constitutional right of every citizen to harbor and express beliefs
on any lawful subject whatsoever, to lawfully associate with others who share
similar beliefs, to petition lawfully constituted authority for a redress of perceived
grievances, and to participate in the electoral process;
B. The McHenry County Conservation District finds, however, that urban, suburban
and rural communities, neighborhoods, schools and parks throughout the State
are being terrorized and plundered by street gangs. The McHenry County
Conservation District finds that there are now several hundred street gangs
operating in Illinois, and that while their terrorism is most widespread in urban
areas, street gangs are spreading into suburban and rural areas of Illinois,
including McHenry County;
C. The McHenry County Conservation District further finds that street gangs are often controlled by criminally sophisticated adults who take advantage of our youth by intimidating and coercing them into membership by employing them as drug couriers and runners, and by using them to commit brutal crimes against persons and property to further the financial benefit to and dominance of the street gang;

D. Street gang activity presents a clear and present danger to public order and safety and is not constitutionally protected. No society is or should be required to endure such activities without redress. Accordingly, it is the intent of the McHenry County Conservation District, by enacting this Ordinance, to prohibit street gang related activity.

SECTION 2: DEFINITION:
A. For the purpose of this Section, “street gang” or “gang” is defined as any ongoing organization, association in fact or group of three or more persons, whether formally or informally organized, or any sub-group or affiliated group thereof, having as one of its activities the commission of criminal or illegal acts, including by way of example only and not in any way limiting or specifying, illegal drug distribution, and whose members individually or collectively engage in or have engaged in a pattern of criminal or illegal acts, and which group frequently, though not necessarily, claim one or more particular geographic territory or “turf” exclusively as its realm of influence and operations;

B. It shall be unlawful for any person within or on any McHenry County Conservation District properties to use, display or wear colors, emblems or insignia on or about their person in public with the intent of communicating membership or support of, affiliation, association or identification with, or insult toward any street gang;

C. It shall be unlawful for any person within or on any McHenry County Conservation District properties or waters that are owned, managed and or leased by the District including any lands covered by conservation easements granted to the District to do or make any act, use any words or gestures with the intent of communicating membership or support of, affiliation, association or identification with, or insult toward any street gang or with actual knowledge that the subject act, use of words or gestures are used and recognized as a means of communicating street gang membership, affiliation, association, support, identification or insult.

SECTION 3: PENALTY:
Any person violating this section shall be fined not less than $400.00 for each offense and be responsible for the McHenry County Conservation District’s cost of prosecution including but not limited to attorney fees incurred by the McHenry County Conservation District. Each day that a violation continues shall be considered a separate offense. A violation of this ordinance requires a court appearance. (Class A)
