As the Individual duly designated to represent the McHenry County Conservation District (sponsor), for purposes of this request to the IL Department of Natural Resources (DNR), I do hereby certify that costs that will be incurred and the reimbursement to be requested for the grant-assisted groomer/tractor are those costs ONLY associated with the grooming of public snowmobile trails, and those costs will not exceed $2,500.00 or $3,000.00/Tucker Sno-Cats (insurance, fuel, oil, minor repairs, and other appropriate costs to operate and store the referenced groomer) during the upcoming 2014-16 winter season.

(years)

(it is understood and agreed that expenses in excess of the herein stipulated limits necessary for "major" emergency groomer repairs exceeding $250.00 per occurrence may be claimed for reimbursement if two written estimates of cost are submitted prior to the costs being incurred and the expense is PRE-APPROVED by the DNR and/or the IASC.)

I do further certify that the trails groomed by the herein specified applicant are open and available to the public for snowmobile purposes, and that the herein named applicant has read, understands and agrees to comply with all terms and conditions of said grant program, and has the resource capabilities to 100% finance the associated operation and maintenance costs of the specified groomer prior to receipt of approved grant reimbursement.

I also certify that the McHenry County Conservation District (sponsor) will indemnify, protect, and hold harmless the Illinois DNR and its representatives from any and all liability, costs, damages, or claims arising as a direct or indirect result of the operation or maintenance of the herein referenced snowmobile trail groomer/tractor.

I hereby certify that this document was duly approved and adopted by the McHenry County Conservation District (sponsor) at a legal meeting on the 17th date of April, 2014 (month) (year).
