RESOLUTION #18-15

A RESOLUTION REQUESTING PRELIMINARY APPROVAL FOR
DEDICATION OF PORTIONS OF GOOSE LAKE, GLACIAL PARK, NORTH BRANCH,
PLEASANT VALLEY, ALDEN SEDGE MEADOW AND LAKE IN THE HILLS FEN
CONSERVATION AREAS AS ILLINOIS STATE NATURE PRESERVES

WHEREAS, the Board of Trustees of the McHenry County Conservation
District (hereinafter referred to as the “District”) a conservation district “may,
and their principal purpose is to, acquire in fee or a lesser right or interest,
preserve and maintain wildland, other open land, scenic roadways and
pathways; hold such real property with or without public access, for the
education, pleasure and recreation of the public or for other open space
values; preserve portions thereof in their natural condition and undertake
development of other portions thereof; manage and use such real property in
such manner and with such restrictions as will leave it unimpaired for the
benefit of future generations; and otherwise promote the conservation of
nature, flora and fauna, natural environment and natural resources of the
district” [70 ILCS 410/3]; and

WHEREAS, the District “shall consider the preservation of natural
conditions and protection of flora and fauna as part of its principal purpose and
to that end shall set aside a substantial portion of its land to remain in an
essentially undisturbed condition” [70 ILCS 410/11]; and

WHEREAS, the District is “empowered to dedicate areas as nature
preserves as provided in the “Illinois Natural Areas Preservation Act”, as now or
hereafter amended, and to cooperate with the Illinois Nature Preserves
Commission in matters relating to the purposes of that Act” [70 ILCS 410/11]; and

WHEREAS, the District has been a leader in preserving and promoting
conservation of natural resources in McHenry County; and

WHEREAS, the District recognizes that the Goose Lake Addition (209.11
acres), Glacial Park Addition (885.8 acres), North Branch (62.62 acres),
Pleasant Valley (360.91 acres), Alden Sedge Meadow (310.78 acres), and Lake
in the Hills Fen Addition (121.67 acres) have been identified as Illinois Natural
Area Inventory (INAI) sites and/or McHenry County Natural Areas (McNAI) sites; and
